4EU+ Alliance is hosting a info session for the *SEED4EU+ 2025* call for applications for the academic year 2025-2026.

SEED4EU+ is an initiative launched by the 4EU+ European University Alliance to support out-of-the-box collaborative projects that advance the Alliance's mission of building One Comprehensive Research-Intensive European University, in line with the 4EU+ Strategy 2025–2035. With a strong emphasis on research, this seed funding scheme encourages academic teams from at least three 4EU+ universities to develop innovative ideas that foster deeper integration across institutions and disciplines.
